*Dear Friends,*

## **A Gift of *Ideas* that gives in so many ways...**

~ **Special Christmas Gift Subscription cost of \$25 (Reg. \$30) ~**  
(A single issue, \$6 or three issues, \$15)

This year, as we think ahead to Christmas and the new year, many of us – realizing that the world is in a period of profound change – may be looking for more *meaningful* and *personal* gifts for our family members and friends. When you give someone a *Dialogue Gift Subscription\**, you are sharing something much more than 'just a magazine':

- **'Behind-the-scenes' information** from knowledgeable individuals, with points of view & ideas that are not often heard in mainstream media;
- A forum that covers **a wide range of perspectives and options** to consider;
- **The opportunity to participate**, by sharing *their own ideas* in whatever way they wish (letters, stories, photos, poetry, memories, recipes, jokes, etc.).

*When you give a Gift Subscription* you are also *helping to widen the network of readers and writers and encourage the continued expression of free thought* across Canada.

**It is more important than ever for people to understand what is going on – in communities across our country and around the world – and to have a way to connect with others and exchange ideas...** dialogue provides these opportunities.

**Thank You** for your encouragement of dialogue, as we continue through our 23rd year. Your **Gift Subscriptions and Donations** at this time of year are a *VERY* important part of keeping the magazine alive! Please accept *our best wishes to you and your loved ones* ~ and have a *Love-filled Christmas and a healthy and fulfilling New Year.*
